Contract Vanzare Cumparare Auto Italia.pdf

Ticbepemis - Contract Vanzare Cumparare Auto Italia.pdf I need to read a contract similar to the one shown in the image. I have attached the file as well. There is no line breaks and the text inside the boxes could be one sentence or 10. How can I read this file with Python? A: As suggested in comments, you can try regex. import re line = '''/r \t\t\t\t/r \t\t\t\t \t\t\t\t/r \t\t\t\t \t\t\t\t \t\t\t\t
