Character Creation Using a touch screen, you will be able to create your character by inputting your name and selecting your gender. By selecting your gender, you will receive 2 different female and male configurations. When you create a character, it will be born from nothing. In order to develop your character, you must train. Every weapon, armor, and magic can be improved and enhanced to become stronger. For example, the sword "Kanden" will be able to use 2 different "Lunar Blade," 2 different "Hamon" and so on. Basic information (name, gender, appearance, age, height, weapon, armor, and magic) can be freely set using the touch screen of your mobile device. You can also freely customize the appearance of your character. By raising your max HP and max MP, you can improve your physical strength and stamina, and by raising your Magic Intelligence, you can raise your Magic power. The age you were born, your skills, the weapons you have, your class, and your level all can be freely set. You can freely use any weapons and armor. However, you can only use the weapons and armor that you have acquired. By raising your skill level, you can enhance the use of your weapons and armor. By paying attention to your training, you will be able to master the weapons and armor that are attached to your character. You will be able to receive help from allies using "help." "help" will protect your character and will provide assistance to your allies while your character is in danger. By listening to the sound of a friend approaching, you can tell whether your friend has entered the region, and with it you will be able to help them. You can "help" even if you are the one in danger. You will find and take quests and challenges during your adventure, and the skills and abilities that you need will be given to you. You can freely change them. Skills are divided into "SP" (strength), "HP" (hit points), and "MP" (movement power). Skills are completely different from one another. By increasing the number of skills that you have, you will be able to develop your character to the highest degree. From the first class to the fifth class, you will be able to choose a

You're probably thinking to yourself, "Uh... I don't need to see this." But, this isn't like any game you have ever seen before. You're not looking at a dating sim with your standard numerical progress at the end of a chapter. This is called the Successive Disco-Dancing Game. In this game, you are at a club and you have to finish dancing with all the girls at the club. The Monkeys are brought to space, and they start controlling the world. Their goal is to topple all of the federal government. This event is known as The President's Day crisis. As soon as the infestation reaches the president's nerves, he commits suicide. The monkeys take over the government, and it seems like there is no hope. But, the Monkeys are not that strong. The developers have decided to create a game called Gunman. Gunman is an action-packed survival game that you can play on mobile phones. The only way that you're going to save yourselves is to play this game. Here is a
